

Newsletter January 2024

This is our monthly newsletter. The newsletter can be received by anyone who has an e-mail address. To subscribe to this service please send your e-mail address to: northstaffscircuit@hotmail.co.uk.

Dear Friends,

I hope that your Christmas celebrations were truly ones of great blessing to you. Whether you were able to spend time with family or friends or whether you had Jesus only as your companion I pray that the richness, beauty and glory of the truth of Christmas shone through and you were drawn towards the Manger to gaze at the Christ child 'Immanuel - God with us'.

With that image in our thoughts we turn towards 2024 and anticipate with excitement and joy or with trembling and uncertainty what it will contain. Perhaps we're between those extremes of emotion but whatever it holds we know the One who holds us, and all of the world's events, in His hands. How much those World events will impact upon us individually we wait to see.

Some things we know - Change will happen. Some events we can plan and prepare for, others less so. For me the pages of my Full-time Ministry will be completed in the middle of the year and a new chapter will begin. The precise shape or direction of which is yet to be revealed. As with all that God has called me to over the past many years, He has journeyed with me and blessed me in every part. So, as I heard Him say in a small Retreat House in Warminster in 2001 'Step Forward in Faith'. I can do no other and I pray that each of you who read this will commit to doing the same. So that God's Kingdom will continue to grow, be a blessing to many and so that, as we pray in the words of the Lord's Prayer 'May Your Kingdom come.'

May God Bless you all richly. Amen.

With love from *Rev. Christine Legge*

P.S. The Bible in One Year As 2023 approached I encouraged folk to read the Bible in One Year and a programme or recommended Commentary was available to guide you through it. I know a number of people have been doing just that – well done to everyone who had a go at it and to all who have completed it (or are still doing so). My prayer was that we would each get to know God's message to us more fully as we read and reflected on the whole 66 books. If you used a commentary that will, hopefully, have further added to your understanding and delight in spending time with God each day and allowing the Holy Spirit to enlighten, inspire you and deepen your relationship with Him. There is a lot in it, why not start again and see what fresh revelations God gives to you on a second reading.

May God continue to bless you however you spend time with Him.

Much love, Rev. Christine

Green Tips

Prepare now and give a bird a home in 2024 - It might seem to be a strange time to be thinking about bird boxes, but this is the season in which many of our resident birds slowly begin the process of looking for nest sites for next year. Therefore, it is a really good idea to get as many new boxes up as you can, before the end of the autumn season, as it will make it more likely for boxes to be used next spring.

Create clean air - You can never have enough house plants. Certain plants are best for certain rooms: Mother-in-law's tongue gives off oxygen at night, which makes it best suited to the bedroom. Peace lilies and boston ferns thrive in rooms with high humidity and can reduce the mould spores in the air, making them ideal for bathrooms; weeping figs have been found to be the best plant for removing formaldehyde released from carpets and furniture, making them good for living areas.

A COVENANT WITH GOD

**Circuit Covenant Service
Sunday 7th January 10.30am
Wolstanton Methodist Church**

An opportunity to step into 2024 together
as we renew our covenant relationship with God.

There will be a choice of worship experience:

In the main church worship area there will be a more **traditional service** which will include hymns and a sermon, as well as Holy Communion.

The **creative and reflection** option for worship in the hall and will be that opportunity to reflect on what the 'Covenant Prayer' means within a general theme of making promises. There will be a Bible story in Godly Play style, music to develop the theme and plenty of time to respond to God through the mediums of drawing, doodling and journaling. We will conclude our time together by sharing Holy Communion together.

Choose which worship style appeals most to you
or perhaps try something new!

For planning purposes it would be helpful to know roughly how many people might be attending the different worship experiences – numbers can be sent to the Circuit Administrator.

If transport is required churches are invited to book a taxi for those who need one (sharing where possible) and to forward the expenses to the Circuit Administrator.

Refreshments will be served after the service.

**THIS WILL BE THE ONLY PLANNED SERVICE IN THE
CIRCUIT ON THIS MORNING**

Godly Play as Bible Study

Story is one of the most ancient forms of knowing. It is the way our Christian heritage has been passed down to us. And story forms the foundation of Godly Play. It invites you to sit as part of a circle and listen as the stories of the Bible are told through word and action. It allows you to immerse yourself in the stories as an act of meditation and prayer and ultimately to encounter God. As the stories are told you sit and listen and at the end of the storytelling you are invited to consider a number of 'I wonder questions'. Questions posed by the storyteller that ask you to reflect on what you have heard. Questions like:

I wonder what part of the story was most important to you?

Or

I wonder where you are in the story?

Or

I wonder if there is a part of the story we can leave out and still have all the story we need?

There are no right or wrong answers to any of the questions, they are a means by which you are invited to wonder deeply about the story and what it says to you. Then when the story is put away there is time to respond to all that you have heard and wondered about. It may be that you want to re-read the story again for yourself, paint, draw, model or write a response - the choice is entirely yours.

At the end of the response time we gather back together for refreshments before drawing our time together to an end.

If this is something you think you might like to try then our next Godly play session will take place on **Tuesday 9th January 1.00-2.00 pm** and repeated **6.30-7.30 pm** (please note that this time both sessions are taking place on **Tuesday 9th January** and both sessions will be held at **Wolstanton Methodist Church**. Come and see, wonder, and reflect deeply about stories you thought you knew.
