Dear Friends

Danny Dutton, from Chula Vista in California, was eight years old when he was asked to write an assignment for his homework. It was to be titled 'Explain God'. This is what he wrote:

One of God's main jobs is making people. He makes them to replace the ones that die so there will be enough people to take care of things on earth. He doesn't make grown-ups, just babies. I think because they are smaller and easier to make. That way, he doesn't have to take up his valuable time teaching them to talk and walk. He can just leave that to mothers and fathers.

God's second most important job is listening to prayers. An awful lot of this goes on, since some people, like preachers and things, pray at times besides bedtime. God doesn't have time to listen to the radio or TV because of this. Because he hears everything there must be a terrible lot of noise in his ears, unless he has thought of a way to turn it off. God sees everything and hears everything and is everywhere which keeps him pretty busy. So you shouldn't go wasting his time by going over your mum and dad's head asking for something they've already said you can't have.

Atheists are people who don't believe in God. I don't think there are any in Chula Vista. At least there aren't any who come to our church.

Jesus is God's Son. He used to do all the hard work like walking on water and performing miracles and trying to teach the people who didn't want to learn about God. They finally got tired of him preaching to them and Jesus said they didn't know what they were doing and to forgive them and God said OK. His dad (God) appreciated everything that he had done and all his hard work on earth so he told him he didn't have to go out on the road any more, he could stay in heaven. So he did. And now he helps his dad out by listening to prayers and seeing things which are important for God to take care of and which ones he can take care of himself without having to bother God. Like a secretary only more important.

You can pray anytime you want and they are sure to hear you because they got it worked out so one of them is on duty all the time. You should always go to church on Sunday because it makes God happy, and if there's anybody you want to make happy it's God. Don't skip church to do something you think will be more fun like going to the beach. This is wrong! And besides the sun doesn't come out at the beach until noon anyway. If you don't believe in God, besides being an atheist, you will be very lonely because your parents can't go everywhere with you, like to camp, but God can. It is good to know he's around you when you're scared in the dark or when you can't swim very good and you get thrown into real deep water by big kids.

But you shouldn't just always think of what God can do for you. I figure God put me here and he can take me back anytime he pleases. And that's why I believe in God.

*Out of the mouths of babies and infants.....!
God bless you and all whom you love and care about.*

Liz

Eco Tips

Green your home... Combat climate change and reduce heating costs by identifying and sealing drafts around your home. Find the gaps that let the cold air in and warm air out (think keyholes, letterboxes, cracks around the edges or bottoms of windows and doors, loft hatches, floorboards, etc.) and fix these gaps using the correct materials and online tutorials. Additionally, place foil or radiator panels to reflect heat into your room. Pray for those who might be experiencing the cold this winter.

Godly Play as Bible Study

Story is one of the most ancient forms of knowing. It is the way our Christian heritage has been passed down to us. And story forms the foundation of Godly Play. It invites you to sit as part of a circle and listen as the stories of the Bible are told through word and action. It allows you to immerse yourself in the stories as an act of meditation and prayer and ultimately to encounter God. As the stories are told you sit and listen and at the end of the storytelling you are invited to consider a number of 'I wonder questions'. Questions posed by the storyteller that ask you to reflect on what you have heard. Questions like:

I wonder what part of the story was most important to you?

Or

I wonder where you are in the story?

Or

I wonder if there is a part of the story we can leave out and still have all the story we need?

There are no right or wrong answers to any of the questions, they are a means by which you are invited to wonder deeply about the story and what it says to you. Then when the story is put away there is time to respond to all that you have heard and wondered about. It may be that you want to re-read the story again for yourself, paint, draw, model or write a response - the choice is entirely yours.

At the end of the response time we gather back together for refreshments before drawing our time together to an end. If this is something you think you might like to try then our next Godly play session will take place on **Monday, 4th November at 6.30 pm at Wolstanton Methodist Church.** Come and see, wonder, and reflect deeply about stories you thought you knew.

Co-op community funding will help establish our community garden and help to bring the community together, enabling us to aid those struggling with modern life. We have started by providing a community free book swap library and this has made us realise how the community would appreciate more involvement. The area would then be used to provide further support with a toy swap area and eventually a food pantry. There would be quiet reflection areas and raised beds with herbs and vegetables. We hope that children can learn about self-sufficiency and older people would be more active in the community, gaining friendships and interests. All of this would improve the community's health and wellbeing, and also reduce landfill with the recycling of unwanted toys and books.
